given, through The Bulletin, all dogs in the town of Killingly and Brooklyn, selectmen of the town of Puinam that she must, from tomorrow (Thursday) toon has been appointed a member of the be kept in confinement on the prefixes town library committee to fill the vacantown library committee to fill the vacanof their owners, until such time as Commissioner of Domestic Animals J. M.
Whitisery, Hartford, shall declare the
quarantine paried at an end. This ordec, issued under authority of the gencies on the library board are filled by
the selectmen, who receive recommendations from the board members. Miss
to become of the appearance of rables
in declared in the towns of Brooklyn
and Romety.

Special Bopaty Commissioner Howard Filled, who was in town Tuesday, stated that up to that time four cases of railies had been determined definitely. These were discovered in Broodlyn, but because these dogs had been found and had been wandering about in the found because these dogs had been found and had been wandering about in the town of Killingly, dogs in both towns had been erdered confined until such time as authorities had satisfied themselves that all danger from the infective disease, had passed and it was safe again to allow dogs to roam about as usual.

Mr. Elliott stated that the commissions and was to be strictly hyporced.

sioner's order was to be strictly enforced in both towns and that the dog officers. Harry Lathrop of Brooklyn and Sheriff Charles Ayer of Killingly, would see to it that the rules laid down were posi-

tively followed, else dogs would be seized and disposed of according to law.

Arthur Duprey is having his vacation and is to leave in a day or two for New Hampshire where he will sojourn for Mrs. Abel Reeves of Danielson and daughter, Mrs. William Landry of

Thompsonville, are spending this week at Oakland Beach. Mr. Reeves was at the beach for the week-end,

New foundations are to be built and the stone work generally made as good as new.

Practically all of this work is to be done by employes of the two mill companies and the specific to white and the specific to white accident to append the started to white accident to the said she nagged him and the started to white accident to the said she nagged him and the started to the start

hour any of the time.

Joseph Renealit of Putanes, an employe at the mill, testified that he left the mill accident. Wood, he said, left the accident. Wood, he said, left the yard about 75 feet behind him. At the time the accident occurred Wood was this same distance behind him. Reneault said he was going about three miles an hour. He also heard Wood blow his horn. William St. Marie testified that with the

cal question to bring out the fact that Wood's machine could not have been go-ing more than alx miles an hour. With the machine in low, and only one cylinder fixing, it would be impossible to make

any greater speed.
Attorney Geissler dwelt on the fact that the law considers more than 20 miles an hour in thickly settled sections as reckless on the face of it. Wood was not disregarding the rights of others, for he been going at a rapid speed or he would have passed the man on the bicycle. Logan himself testified that he did not turn around on stepping out into the street the day.
